The OHS Student Council is an organization composed of two elected representatives from each class and club and the president and vice-president who are elected by the entire student body. It is the organization that gives the students a voice in the governing of the school and is a member of the National Association of Student Council organizations.

The Student Council has been a very active organization this year. Their main projects were homecoming, Christmas Ball, lyceums, all-school carnival, welcoming the teachers. Their minor projects included running the popcorn machine and snack bar, buying a new flag, sponsoring sock hops, a watermelon feed, and served the Scott City team lunch after the football game.
